Department of National Defence  
Canada

# Programs

---

MTCP students

Mentorship program with Colombians

COVID-19

---

Used Zoom platform - licensed accounts;  
controlled by our IT section

Edited prompts in real time

Gave week-long virtual workshop to Colombian  
team

# Online moderation with team

---

Moderated reading items with national team

Again used Zoom and edited in real time

Marked revisions in red

Created clean copy

# Conclusion

---

Positive experience

Few technical issues

Don't know when we will go back to office

Zoom has proven itself as user-friendly tool

Foreign students may come back in January?
